

Resume

Vinish Kashyap

B.Tech (Information Technology), Rajkiya Engineering College Banda
Email: vinishkashyap748@gmail.com | Phone: 7900239938

Objective

To join the college coding group and enhance my skills in programming, problem-solving, and teamwork while contributing to innovative projects and hackathons.

Skills

- Programming Languages: Java (DSA), C, C++
- Web Development: HTML, CSS, JavaScript
- Frameworks: Basics of Express.js, learning Spring Boot
- Databases: MySQL (basic integration)
- Other: Git/GitHub, Problem Solving, Hackathon Enthusiast

Education

| Degree | Institution | Year |
|---------------------------------|-----------------------------------|----------------|
| B.Tech (Information Technology) | Rajkiya Engineering College Banda | 2024 - Present |
| Class XII (PCM) | Completed | 2024 |

Projects

- Built responsive websites using HTML, CSS, and JavaScript.
- Developed basic programs in Java (DSA problems, sorting algorithms, linked list).
- Worked with MySQL for database connectivity in Java applications.
- Currently preparing for hackathons with full-stack development practice.

Achievements & Goals

- Entered 2nd year of B.Tech with strong focus on coding and DSA.
- Actively practicing for hackathons with a goal to win 10+ hackathons in India.
- Consistently learning new technologies like Express.js, Spring Boot, and advanced Java.

Extra-Curricular Activities

- 3D Designing Work (creative designing & modeling).
- Fitness enthusiast (maintaining discipline alongside academics).
